Statement of Reasons for Allowance

1. This action is responsive to Applicant's RCE amendment filed on May 31, 2005, and Applicant's amendment faxed on September 13, 2005 (please enter the amendment).

Examiner's Statement of Reason(s) for Allowance

2. Claims 1-28 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The prior arts of record: Zintel, teaches a method for using vendor-specific manufacture information to dynamically configure a computing device for peer networking. Slaughter teaches a method of using the generation tool based on relevant XML schemas to generate new code. However, none of them, taken alone or in combination, teaches generating service control class files including one or more service control stub-methods according to a UPnP device description document received from a device vendor, and compiling the service control class files and updated service control stub-methods along with a device class library and a UPnP software development kit to generate a UPnP device executable for the UPnP device described by the UPnP device description document, in such a manner as recited in each of the independent claims 1, 10, 19, 23, and 26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
